Introduction

THE SMITH FAMILY CHAPEL AT RIVERBEND CHURCH

Located in the scenic hill country on the west side of Austin, the non-denominational wedding chapel at Riverbend was built in 2000, designed in an old-world Tuscan style of the 18th century, using native white limestone mixed with dark stained oak beams. It features contemporary stained glass windows and opens up to a beautiful stone patio, the perfect blank canvas for any wedding. The acoustics in our chapel are one of a kind with state of the art equipment, a Bosendorfer grand piano, and full audio and video capability. Live audio recordings of your ceremony are FREE when you bring a USB drive. The chapel seats 320 comfortably with extra seating in our balcony; the chapel holds 371 max. Weddings can be booked for a morning, afternoon, or evening ceremony.

An experienced professional Riverbend Day of Wedding Coordinator and Sound Technician are included for your event along with a Wedding Director to walk you through all details regarding your ceremony in our chapel. Also included are a private bridal suite and groom's room, equipped with all the amenities and extras a wedding party could need. Brides and grooms can use an officiant of their choice, or if they prefer, one of Riverbend's Pastors. For more information or to reserve your wedding date and time, please contact our Wedding Director.

To confirm your wedding date, a signed agreement, and payment must be received by Riverbend's Wedding Director:

Reviews

We are so happy we chose Smith Family Chapel for our wedding ceremony venue. So many people complimented how beautiful the place was. Our pianist told us the acoustics are the best and it is his favorite venue to play for weddings. The coordinator, Annalise, that the chapel provided was extremely helpful and friendly at our rehearsal and ceremony. We definitely recommend Smith Family Chapel for anyone wishing to marry in a traditional church setting.

I had my dream wedding thanks to Linda Ponsonby and the Smith Family Chapel! They were so attentive and PATIENT with my oversized wedding party... The day of the wedding they were accommodating and completely calm while the bride was rushing through the door only MINUTES before walking down the aisle. Thank you for having such a beautiful chapel and wonderful staff!

- *Tracy C.*

Beautiful, unbeatable location. The chapel is fairly simple in its design, outfitted with colorful stain glass windows, dark wood pews, and limestone brick backdrop with a peace dove motif. The brides quarters were upstairs, was nice to have a quiet minute with my bridesmaids before the ceremony began.

Loved getting married here!! The chapel was absolutely beautiful - didn't need a lot of decoration to make it pretty - perfectly classy with a few flowers and the candles - but would be a beautiful blank canvas if lots of decoration is what you wanted! I would HIGHLY recommend also if you have a lot of out-of-town guests who are not used to Austin traffic. We had a lot of friends coming from smaller towns and it was so easy for them to find and get to. They were easy to work with and made the booking process totally stress-free! Thanks for all you did to help make our wedding our favorite day!!

I had a great experience holding my ceremony at Smith Family Chapel at Riverbend Church. Everyone we worked with was very accommodating and we had no trouble at all! It's also a beautiful space. I would highly recommend it!

Thank you to Krista for being an exceptional coordinator for our daughter's wedding reception in the fellowship hall this past weekend. Everything was just perfect. We have had so many guests tell us "this was the best wedding they have ever attended"! Thank you also to the staff and especially Sam who helped out with everything we needed. Jill and Annalise were great to work with to coordinate the ceremony at the Smith Family Chapel. We appreciate the efforts of everyone at Riverbend. It was a truly blessed day from beginning to end!

Thanks to Riverbend Church for being an awesome venue for mine and Andrew's wedding. So happy with the courteous staff and the beautiful campus. We couldn't have asked for anything more!
