Riverbend Christian School ("RBC School") would like you to partner with us by making a donation to our annual fundraiser and end of year celebration to be held on May 10, 2012 at the school. RBC School's purpose is to provide a loving, Christian environment in which each child can develop fully in all domains of life: emotional, physical, social, cognitive, and spiritual. The child's first school experience is a foundation for future attitudes and success, so RBC School strives to make each child feel positive and excited about school, self, and learning. We believe that each child is understood best in the context of the family, so RBC School endeavors to provide support and encouragement for parents and other family members. RBC School has received a 4-star certification with Texas Rising Stars, the highest rating possible.

Last year's generous donations allowed recent renovations to our preschool that have allowed space for two new classes: A Mother's Day Out class for two year olds and an additional preschool class. The total cost is roughly **\$22,500**. Our fundraising needs this year are to furnish these two classes with the following items:

- Computers and locked cabinets – **\$7,000**
- Furniture – **\$8,000**
  - 10 shelf units, 32 chairs, 4 long tables, 2 small tables, 2 sets of cubbies, large rug and 2 bookshelves
- Learning and Play Items – **\$7,500**
  - Blocks, books, dolls, science, music, puzzles, art supplies, pretend play centers, etc

Please consider making a financial and/or in-kind donation of goods or services. All donations are tax deductible to the extent provided by law, as RBC School is a 501(c)(3) tax exempt organization.

#### Event Sponsorship Opportunities & Recognition

Near the end of our school year we will celebrate our success with a fun filled family event with nearly 600 guests in attendance – all of whom would become potential customers and admiring fans upon seeing your generous support! Your donation will help raise funds that enable RBC School to further its mission of providing an excellent early education for children.
